

ACKNOWLEDGMENTS

I wish to acknowledge my brother Mr. Biswarup Arnab and sisters Mrs. Gayatri Biswas and Mrs. Putul Ghosh for their help, encouragement, and support in building my academic carrier. I wish to thank my wife Mrs. Rita Arnab for her moral support. My gratitude also goes to my children Bubai, Buima, and Kintoshi for proofreading my work.

I would like to thank the colleagues of the Department of Statistics and the Faculty of the Social Sciences for their fruitful input, support, and inspiration to complete this book project. In addition, my sincere thanks to Dr. Glyn Jones, Mr. Poulouse Joseph and Ana Claudia A. Garcia of the production team of Elsevier publishing company for publishing the book.
